BRIGADA ESKWELA 2014

The Brigada Eskwela is the Department of Education program that prepares every school for the opening of classes. This program enables teachers, parents, pupils/ students, LGUs, non- government agencies and other stakeholders to work hand in hand for the benefit of the pupils/ students, thus making every school facilities ready for the opening of school every month of June.

This year's Brigada Eskwela started last June 24. The six- day activities only show than bayanihan is still in the spirit of everyone.

On the morning of June 19, a district parade started at the Municipal Hall of Pilar and ended at the Pilar Elementary School. The parade was joined by the different elementary schools in the district of Pilar along with the two secondary schools of the district, the Dona Victoria B. Roman Memorial High School and Pablo Roman National High School.

After the parade, a short program followed. The formal opening of Brigada Eskwela 2014 was announced by the new District Supervisor, Dr. Jeolfa G. Reyes. The program was even enlightened by the presence of the municipal Mayor Hon. Alice D. Pizarro.

After the program, the teachers together with the General PTA officers of their respective schools went to their school assignments to have their school opening of the Brigada Eskwela.

In Pantingan Elementary School, the program was started by a prayer which was lead by Mrs. Gudelia A. Mapalad which followed by the National Anthem conducted by Mrs. Christine Joy P. Bernardo. A message from Mr. Angelito M. Licup, Head Teacher III; Hon. Robert Anilao, Brgy. Captain; and Mr. Manuel Landicho, GPTA- President were given to everyone. Mr. Angelito M. Licup gave a challenging message to all stakeholders to be able to be useful and cooperative in the program.... Brigada Eskwela.

Parents, Pupils, teachers and barangay officials were all present to help one another in cleaning the school. The 4P's beneficiaries and their parents were also present. They help cut and pull weeds. They sweep the surroundings. Others help in the repainting of the rooms, chairs and bulletin boards. They even help repair the broken chairs.

Municipal Health officers also came by to perform the fogging.. This is to destroy the breeding place and to kill mosquitoes especially the dengue mosquito.

Indeed, Brigada Eskwela is truly of great help to start classes right.
