

## MAYOR ALICIA D. PIZARRO SUPPORTS BRIGADA 2014

Last May 22 to May 26, 2014, all schools nationwide conducted “Brigada Eskwela 2014”. Each school from Pilar District joined this activity. A short parade was conducted on May 22. After this a very short program was held at Pilar Elementary School Covered Court. Mayor Alice D. Pizarro was one of the special guests. Our hardworking Mayor witnessed the inadequacy of funds of all schools in the district to accomplish all the necessary tasks to be undertaken related to Brigada Eskwela, that’s why she decided to gave each school P 6,000.00 which we can use to hold minor repairs such as repainting, cleaning and so on. This amount was of big help to our school. We were able to repaint the iron grills in the window of all classrooms.

To Mayor Alicia D. Pizarro, our sincerest thanks! We hope you will continue helping us in may activities such as this.
