

EARTHQUAKE DRILL AT DES

Last July 2014, Diwa Elementary School conducted its annual earthquake drill pursuant to the DepEd Order No. 48.2012. This activity aimed to generate highest awareness level among teachers and pupils on how they are going to react in case earthquake happen.

Smooth planning and organizing was done through the effort of the head teacher and all the teachers. All pupils in every grade level participated the said earthquake drill.

STAGE 1

PLANNING/ORGANIZING AN EARTHQUAKE DRILL

- Form a Disaster management Committee (DMC) composed of several teams with specific task and designates an over-all coordinator.

Overall Coordinator
(Ma'am Jocelyn V. Caparas)

Fire Safety Team
