Every opening of the school, one activity which is the most awaited by al school children is the distribution of school supplies from the Governor's Office. It becomes Governor "Abet" Garcia's yearly tradition to give school supplies for all the schools of all schools in the province of Bataan. All a

Last June, Governor Garcia gave us the chance to be visited by his employees to distribute these school supplies. All pupils from every grade from Kinder to Grade 6 were very much excited to receive all the school supplies from our kind-hearted and hardworking governor.

This yearly activity is of great help for all the pupils of public school especially those who belong to the low income families.
